## Why Are Russian Women Preferred for Marriage?

Lipi B. | November 9, 2014

Russian Women

In today's day and age, it is not against the norm to be married into another culture. Inter-racial and inter-ethnic marriages are very common and no one bats an eyelid when you show up with a wife from another country. At first, this custom was introduced through mail order brides. That did not work out well, due to obvious reasons. Now, with the help of online dating, it is extremely easy to meet someone from another country without leaving the comfort of your own home. This is one of the major reasons why western men are now more interested in and prefer marrying women from other countries. One of the most popular places to find a bride is Russia!

Russia is a beautiful country rich with culture. The people of Russia are some of the most hospitable and kind in the world. It makes perfect sense that western men would prefer someone from such a country, but here are some major reasons why [Russian women are more preferred over American women for marriage](#):

- The women of Russia are very family oriented. They love spending time with family and they love making the home a family friendly place to be in. So when the husband comes home, he can be sure to find a hot meal and clean, happy, well-adjusted children at home.
- [Russian women are not argumentative. They grow up in a strict, male-dominant culture](#) and give proper respect to their husbands. Even if they're angry at you, they will prefer to talk about it instead of fighting and rushing off. This balanced nature helps create a happy home.
- Russian women are very sweet and kind by nature. They have a great sense of humor and will always make their husbands feel like the most important people in the world. They are partners and will support their husband through thick and thin.
- One added reason is that [Russian women are some of the most beautiful women on earth](#). Long-legged, slim and natural blondes, they don't need a lot of adornment to make heads turn. With their beautiful doll-like features, they can capture a room's attention with a simple smile. They like to take care of themselves for their husbands and love dressing up. They will always make an extra effort for their husbands.

These, among many personal reasons are why men are becoming more attracted towards

European, especially Russian, women. The trend has truly shifted. Many beautiful Russian women have and want to become happy wives of American men!

The women of Russia are very family oriented. They love spending time with family and they love making the home a family friendly place to be in. So when the husband comes home, he can be sure to find a hot meal and clean, happy, well-adjusted children at home. Russian women are not argumentative. They grow up in a strict, male-dominant culture and give proper respect to their husbands. Even if they're angry at you, they will prefer to talk about it instead of fighting and rushing off. This balanced nature helps create a happy home.
